WHAT'S BLOSSOMING WITHIN?

GATHERING

Prelude Kayla Wallace, Accompanist

Welcome Gladys Brubacher, Worship Leader

Call to Worship (Sudbury Presbytery Writing Team, Sudbury, ON)

One: God plants us on this earth for a reason.

All: *May we bloom where we are planted.*

One: Christ lives in us when we seek to love
our neighbour.

All: *May we care for all God's people everywhere.*

One: The Spirit gives us strength and hope for
each new day of service.

**All: *May we respond to the needs and
demands placed upon us.***

One: We are pilgrims on a journey. We live our mission
as we minister to one and all.

**All: *May we journey together as we uphold the
truth of Christ.***
