Prelude

Welcome

Call to Worship

People: We rest our hands on the land.

Leader: Sacred creation. We give thanks for its sustaining care.

People: We raise our hands to the Indigenous peoples of this place. Anishinaabe, Haudenosaunee, and Neutral.

Leader: We know that this place is sacred, ancestral, unceded land. May we walk together in good relationship.

People: We reach out our hands to each other, our beloved community.

Leader: We celebrate each other's gifts and growing edges. May we work together with good minds.

People: We hug our hands to ourselves as gifts from Creator.

Leader: We give thanks for all that we are and all that we may yet be.

All: May we live with ourselves with good hearts. Amen
